

# Part-Time Faculty Salary Comparisons in California Community Colleges 2013

## Methodology and Index

*There are eight (8) tabs on this workbook*

### Goals:

- 1 Salary comparison of part-timers in all 72 districts utilizing salary schedules in effect as of November 30, 2013
- 2 Convert all salaries to hourly rate if not already an hourly rate
- 3 Compare hourly rate excluding office hour pay. (Where office hour pay was part of the hourly rate, research was done and the assumed rate was pulled out.)
- 4 Compare in four separate areas:
  - A Masters Degree/Step 1 [Tab 2] [Tab 2](#)
  - B Masters Degree/5th Year or 9th Semester [Tab 2] [Tab 2](#)
  - C Highest Salary (including longevity) without a PhD [Tab 3] [Tab 3](#)
  - D Highest Salary (including longevity) with a PhD [Tab 3] [Tab 3](#)
- 5 Comparative rank of each district on the above four areas [Tabs 2 & 3] [Tab 2](#) [Tab 3](#)
- 6 Convert full-time salaries to hourly rate for equivalent work [Tabs 6 & 7] [Tab 6](#) [Tab 7](#)
- 7 Comparative rank of full-time hourly rates on the above four areas [Tabs 6 & 7] [Tab 6](#) [Tab 7](#)

### Assumptions:

Part time = 9 units per semester (although a part-timer can now teach up to 67% or 10.5 hours)

Unless otherwise noted by district: 17 ½ weeks per semester

17 ½ weeks x 9 units = 157.50 hours a semester

For those contracts that move adjuncts up steps according to specified # of units, the assumption will be that the person carried a 9 unit/hour load each semester

Full-time loads were counted as 15 units a semester

Full time hours were considered to be 40 hours (30 hours class and prep, 5 office hours, 5 governance and committees)

Use assumption that full-timer receives 75% of their annual salary for prep & grading only (no office hours, no governance work)

Unless otherwise noted by district: semester is 17 ½ weeks

17 ½ weeks x 15 units (hours) = 525 hours

To convert full-time annual salary to hourly: (annual amt x .75)/525

**Sources:** Returned Surveys and Salary Schedules from districts obtained from their websites and phone calls to districts
